This certificate acknowledges that

Reshika Rimal

demonstrated special dedication and volunteered to help conduct the workshop:

Data Carpentries: Introduction to R

Date: Sep 20-21, 2025
Time: 9am to 1pm (8 hours)
Location: University of Nevada, Reno

This workshop provided a comprehensive introduction to R programming, covering essential syntax, operations, data management, summaries, transformations, and visualizations. Reshika played a crucial role by monitoring the classroom, assisting participants, and addressing their questions. Reshika's dedication to enhancing the participants' skills significantly contributed to the workshop's success.

Thank you for your valuable service,

Dr. Carlos Ramirez Reyes
University Libraries
